The Central & Eastern European Church collection is this weekend at all masses. Money from this appeal is to re-establish and restore the Church in Central and Eastern Europe after years of oppression and persecution. Your support will help to restore religious orders, seminaries, and reinstitute religious education. Let us help them face the enormous challenges ahead by being their source of hope. Your prayers and sacrifices are positive ways of supporting the mission. The envelope is in your February envelope packet. *Your generosity is greatly appreciated!*

RELIGIOUS ARTICLES SALE Next weekend our brothers and sisters representing the **Catholic Christian Families of Bethlehem** will be selling Crucifixes, religious art work, and rosaries—all made of special rare olive wood, which is native to Israel and Bethlehem. Since tourism has greatly depleted, Christian families in the holy land, who depend on tourists, have been greatly affected. Sale of these goods will help them and also give you the opportunity to have "something authentic" from the Holy Land. Any purchase is for a good cause and will help toward your personal devotion. We have hosted Christian Families of Bethlehem before and we look forward to welcoming them again this year. Your support will be greatly appreciated.

To request a record of your 2009 contributions to our parish, please complete this form, cut it out, and drop it in the collection basket or mail it to the parish office. Reports will be placed in the vestibule for pickup. Thank You.

From Father Chuck's Desk...God often blesses us with helps to our spiritual growth. Often the birth of a child and the request to serve as a godparent awakens a new motivation for recommitting one's self to regular participation in parish life and liturgy. Other times the death of a relative or friend reminds us of the brevity of life and the call to a more authentic prayer life. Under these circumstances we are able to respond to the movement of the Holy Spirit in our life. We are all invited to have a rich, vibrant spirituality, however. Like a house that is built but then needs our regular, ongoing work to maintain the structure, we have begun our journey with the Sacrament of Baptism and are responsible for attending to our faith, learning and receiving the ongoing grace of God's blessing as members of a parish family. When life events remind us of a lapse in our spirituality we do well to react and improve our relationship with God. All of us need to remember, however, that we are called to a proactive disposition toward the Church by which we seek to be good stewards of the gift of faith. God gives us many opportunities to recognize our failings, of course, but to make the need to be ready for life's many challenges, a daily motive for spiritual growth is the best way to respond in thanksgiving as Christian disciples. May we live in anticipation of the needs of those around us by attending to our Catholic spirituality, that the Holy Spirit may enable us to complete the good work that God has begun in us.
